2. Register Your Account *(continued)*

Go to your **email** inbox to find an email from MyKuvare.

Next locate the one time code, enter code on your registration screen, and click **"Verify code."**

Then enter and re-enter your password (must match). Type in a display name and then click **"Create."**

The screenshot shows a mobile app interface for MyKuvare, with logos for UNITEDLIFE and GUARANTY. It prompts the user to enter a verification code sent to their email. The code '453276' is entered. Below the code field are buttons for 'Verify code' and 'Send new code'. Further down are input fields for 'New Password', 'Confirm New Password', and 'Display Name', followed by a 'Create' button.

3. Establish your multi-factor authentication (MFA)

Click **"Trust this device"** and click **"Continue."**

The screenshot shows the MFA setup screen. The 'Trust this device' checkbox is checked. A blue 'Continue' button is at the bottom.

Then select either Phone or Email (Email shown) and click **"Continue."**

The screenshot shows the MFA setup screen with the prompt 'Please select your preferred MFA method'. The 'Email' radio button is selected. A blue 'Continue' button is at the bottom.
